## Notable Opening: VERACE in Islip

The [Bohlsen Restaurant Group](#), which is known for outstanding Long Island restaurants such as [H2O](#) in Smithtown, [Prime](#) in Huntington and [Tellers Chophouse](#) (see [Eating Long Island's](#) full review [here](#)) has brought in 2010 with a brand new restaurant and a hotspot that you'll surely want to check out. **VERACE** is a beautifully appointed italian eatery located just next to Tellers at 599 Main Street in Islip. The restaurant at this time is only open for dinner (bar soon to open) and you can hop next door to the Gold Bar in Tellers if you're in for a bit of a wait.

If you're into outdoor dining, the spring and summer will be welcoming to you as they have built out the rear of the restaurant for warm-weather use. **631-277-3800**
